a peek at the week

Religion: Finish Chapter 5 and discuss the Liturgical calendar and Ordinary Time

Reading: We will continue reading the book, "Wonder." We will continue our monthly Storyworks magazine and reading on the ReadWorks website.

Math: We'll wrap up our Rates & Ratios chapter with a test on Tuesday. We will then begin studying decimals, percents, and fractions.

Social Studies: We will begin Chapter 3, entitled Early Humans and the Agricultural Revolution (We didn't get to it last week!)

Science: We'll continue working on some STEM challenges and other various topics. Rumor has it our new Science materials are on the way! Woohoo!

Spelling: Lesson 8 book assignment will be due on Thursday and the test will be on Friday.

a note from the teacher:

A gold note is going home today regarding Book-it for this year that will need to be signed and returned. The teachers are planning a fun culminating activity, but in order for students to participate, they must complete the goal I set for each month October through March. This month, we are reading 20 minutes each day in our classroom. I will have a Flipgrid project for them to do at the end of the month, so this month's goal should be relatively easy to achieve as it will be done in school.
