## a peek at the week

Religion: Finish Chapter 4 and Begin Chapter 5

Reading: We will continue reading the book, "Wonder." We will continue our monthly Storyworks magazine and reading on the ReadWorks website.

Math: We're getting better at ratios and next week we'll work on wrapping up the chapter. Before we get there, we will be studying equivalent ratios and solving rate and ratio word problems.

Social Studies: We will begin Chapter 3, entitled Early Humans and the Agricultural Revolution

Science: We'll continue working on some STEM challenges and other various topics.

Spelling: Lesson 7 book assignment will be due on Thursday and the test will be on Friday.

## a note from the teacher:

*A note from Mrs. Baus:*

**October Challenge**

I am challenging each student to come up with their menu option for a day. You need to have a main dish, a grain, a vegetable and a fruit. Be sure that your meal has the components or it will not be considered. I am needing your idea turned into the lunchroom by October 14. If you have all of the components that are needed, your name and meal will be put in a hat. I will announce the winner and their meal will be on the menu for the month of November.
